

NARVA® NEW PRODUCT RELEASE

August 2009

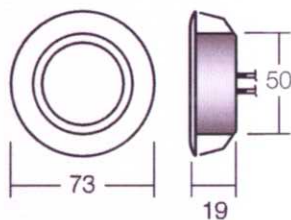

ELEGANT INTERIOR HALOGEN DOWN LIGHTS

Stylish, brushed-metal down lights to complement modern caravan and motor home interiors

Housed in a stylish brushed-metal enclosure with frosted glass lens, these halogen down lights deliver a warm, radiant light output and add a touch of sophistication to modern caravan, boat or motor home interiors.

Available in both 10W and 20W, the lights are flush mounted, pre-wired and include linear spring clips for quick and secure snap-in fitment. The lens is removable allowing easy globe replacement.
